Swedish Employee Emergency Fund

“I would like to thank everyone involved on behalf of my children and me. I am so grateful Swedish has this available to their employees. I don’t know what I would have done. You have made my day!” — Grateful Swedish Employee Emergency Fund grant recipient

When you give to the Swedish Employee Emergency Fund, you are supporting your co-workers and their families during a crisis. Whether they need financial support because of a house fire or help paying utility bills after a lengthy recovery from surgery, we can support each other through this important fund.

Thanks to donors like you, nearly \$40,000 was granted to 49 caregivers who faced financial difficulties last year. Those that needed assistance received grants of up to \$1,000 to help with rent and utilities, as well as funeral costs and car repairs, among other essentials.

Thank you for your
extradordinary caring.
